A qualified investment in a qualified Caribbean Basin country is a loan of qualified funds by a qualified financial institution (described in paragraph (c)(3) of this section) directly to a qualified recipient (described in paragraph (c)(9) of this section) or indirectly through a single financial intermediary for investment in active business assets (as defined in paragraph (c)(4) of this section) in a qualified Caribbean Basin country (described in paragraph (c)(10)(ii) of this section) or for investment in development projects (as defined in paragraph (c)(5) of this section) in a qualified Caribbean Basin country, provided—
